

Be Part of the Conversation About How East Cleveland Shapes Redevelopment of Euclid Avenue & Our Neighborhoods

Our city has many parcels of land available for redevelopment, but outdated zoning rules for ensuring that redevelopment meets modern community needs. Council will be considering new zoning overlay rules to responsibly guide redevelopment of this land and wants to make sure you are part of the discussion. The goal is to encourage **better development**, improved **neighborhood quality**, **new investment**, and support **walkable, transit-friendly communities**. These proposed new guidelines will impact Euclid Avenue and the neighborhoods adjacent to it from Lakeview Road to Superior Avenue.
